

# Bachelor in International Management B.A. - Hof University — Hof University

Source: <https://www.hof-university.com/studying-at-hof-university/our-degree-programs/international-management-ba.html>

**Business**The International Management program prepares you specifically for future specialist and management positions in internationally oriented companies and organizations. We place particular emphasis on topicality and internationality. You will receive excellent training from internationally experienced lecturers, some of whom have many years of management experience.

**Language**We also place particular emphasis on language training. In the obligatory subject English we bring you up to the level C2. As a second foreign language, you can choose between French and Spanish, where you will reach level C1. You can also take additional languages on a voluntary basis.

**Culture**We also familiarize you with the economic and cultural characteristics of the most important economic areas. Because only those who know, understand and respect the culture of other people can achieve goals together with them.

You have the choice...

Study profile I: English

The acquisition of English language skills level C2

The possibility to acquire a double degree at a foreign university

Study profile I/II: English and second world economic language (French or Spanish)

The acquisition of English language skills level C2

The acquisition of French or Spanish at least at level B2

The possibility of acquiring a double degree at a foreign university.
